

**2021 State Preservation Grants Application  
Property Owner's Assurances**

*If the State Preservation Grant applicant property is not owned by the applicant, these signed assurances must be uploaded to the online application.*

I have read the information contained in the grant application package and the 2021 State Preservation Grant Guidelines, and I am willing to follow the rules and requirements of the State Preservation Grants. I certify that:

- I understand the purpose of this application, and agree to its submission to the Rhode Island Historical Preservation & Heritage Commission
- A valid lease or written agreement conforming to the requirements of the Rhode Island Historical Preservation & Heritage Commission is in effect with the applicant as a condition of a grant award for this property
- If a grant is awarded, I will sign a historic preservation easement, thereby agreeing to preserve and maintain the rehabilitated property for a term of years based upon the grant amount
- If this property is owned by a city or town, this is the only application of a city- or town-owned property from the city/town of: \_\_\_\_\_
